

## Contractions— Laubach 4, Lesson 2

The second word in a contraction gets a letter squished out. Write the two words that make up each contraction. These are the words that usually get squished: are is not am will.

he's \_\_\_\_\_

### A Puzzle

The next ones are very tricky. The second word in let's is not is.

The first word in won't is the tricky part.

Use the word in a sentence. Now try to make the word into two words.
